<sup>&</sup>lt;sup>1</sup>This table represents Part B program expenditures in 2017. Only expenditure categories requested in the National Part B and ADAP Monitoring Survey are represented in this table.

<sup>&</sup>lt;sup>2</sup> For some states, enrolled clients reported may be a snapshot in time rather than a cumulative unduplicated client count. In this instance, some Part B may report a higher number of clients served throughout the year compared to the number of clients enrolled in the program at the end of the year.
